Polasaí Cumarsáide na Scoile

Réamhrá:

Tá caidreamh éifeachtach idir an príomhoide, na múinteoirí agus na tuismitheoirí riachtanach d' oideachas, sláinte agus beatha an pháiste fad is a bhíonn siad ar scoil.

Braitheann eispéireas na bpáistí agus a bhfoghlaim ar scoil ar chumarsáid agus ar cé chomh éifeachtach is a bhíonn sé.

Braitheann atmaisféar uile na scoile ar chumarsáid éifeachtach agus sin an fáth go bhfuil an-bhéim ar chúrsaí cumarsáide i nGaelscoil Raifteirí.

De réir sainmheon na scoile, tá béim faoi leith ar mheas a léiriú ar a chéile inár scoil. Is bunchloch í seo a threoraíonn pobal na scoile ar fad agus chuile ní a tharlaíonn i nGaelscoil Raifteirí.

Bíonn córais shoiléir de dhíth chun éifeacht na cumarsáide a chinntiú, córas atá le feiceáil thíos. Tuigimid freisin áfach go mbíonn an-éifeacht uaireanta ag comhráite neamhfhoirmiúla agus neamhphleanálte a tharlaíonn i measc phobal na scoile. Bíonn brú ama i gcónaí ar scoil agus seo an fáth nach n-oibríonn na modhanna seo i gcónaí. Tuigimid gurbh iad na páistí ár dtosaíocht ach ní chialláíonn sé seo gur féidir le daoine i bpobal na scoile a bheith ar fáil do chomhrá am ar bith gan coinne.

Seo an cineál cumarsáide a tharlaíonn go rialta i nGaelscoil Raifteirí.

Ghlac Bord Bainistíochta na Scoile leis an bpolasaí seo ar an

School's Communication Policy

Introduction:

The positive relationship between teachers, the principal and parents is essential for the children's education, health and wellbeing while they are in school.

The children's experiences and learning in school depend on this communication and on how effective it is.

A school's atmosphere depends on effective communication and this is why there is a strong emphasis on communication in Gaelscoil Raifteirí.

As stated in the school's characteristic spirit, there is particular emphasis placed on showing respect in our school. This is the foundation that guides everyone in the school community as well as everything that takes place in Gaelscoil Raifteirí.

A clear system is needed to ensure the effectiveness of our communication which is outlined below. We are also aware that informal and unplanned conversations between members of the school community can at times be quite effective. We all must remember that time is a very precious commodity in schools and that time pressures always exist and it is for this reason that these unplanned encounters can sometimes fail. We all understand and agree that the children are all our priorities but this doesn't necessarily mean that members of the school community can be expected to be available for a conversation at any time without a prior appointment.

The following is the type of communication that takes place in Gaelscoil Raifteirí.

Communication:

1. between staff
2. between teachers and parents
3. between the office and parents
4. between the principal and parents
5. between parents and teachers
6. between parents and the office
7. between parents and the principal
8. between the board of management and the school community
9. between the parent's committee and the school community
10. between the staff and the children
11. between the children and the staff
12. between the school and the general public

Our Communication Systems are explained below:

10. Between the Staff and the Children:

The school staff is constantly communicating with the children. This is done in a variety of ways in class, in the yard and around the school.

11. Between Children and the School Staff:

The children communicate with the school staff all the time in school. This happens in class, in the yard, around the school and virtually.

A Pupil's Committee was founded in the school in September 2021. There are two representatives from each class from 3rd to 6th class on this committee. The members will change each year through a democratic voting system. Meetings between the Principal, Deputy Principal and the committee are arranged monthly to discuss the needs/goals of the school and ways in which the pupils can help to achieve these goals.

12. Between the School and the General Public:

School Website:

The school uses the school website, www.scoilraifteiri.ie to communicate with the general public.

Instagram/Facebook/Twitter:

The school uses Instagram, Facebook and Twitter to communicate with the general public.

Public Meetings:

The school can organise public meetings from time to time. These meetings can happen in the school or virtually.

Complaints:

People have complaints to make from time to time. This is very natural. If parents have a complaint or a reason for concern, they must follow the following procedures:

Complaints Procedure

The following is the agreed procedure for processing complaints by parents.

Step 1: The parent makes an appointment and approaches the teacher with the view to resolving the complaint.

Step 2: Where the complaint is not resolved an appointment is made to approach the principal with a view to resolving the complaint.

Step 3: Where the complaint is not resolved with the principal an appointment is made to approach the Chairperson with a view to resolving the complaint.

Step 4: Where the complaint remains unresolved the parent may hand a written complaint to the chairperson. The chairperson brings the complaint to the notice of the teacher and seeks to resolve the matter within five days.

Step 5: If the complaint is not resolved informally the chairperson supplies the teacher with a copy of the written complaint and arranges a meeting with both the teacher and principal within ten days.

Step 6: If the complaint is still not resolved the chairperson takes the complaint to the Bord of Management and they continue with the process.

Conclusion:

Everyone in the school community is entitled to and deserving of all communication to be made with them in an effective, polite and respectful manner.

The school's Code of Behaviour places an emphasis on respect and applies to everyone in the school community.

It is advised that members of the school community communicate with each other in an official capacity during normal office hours where possible.
